

An Artume LLC business

FOR IMMEDIATE RELEASE

SAVVI INTERNATIONAL BECOMES AN ARTUME, LLC BUSINESS

In a major realignment of its business operations, Savvi International has become an operating division of Artume, LLC. Though the former Savvi International Corporation has voluntarily dissolved, the business conducted by Savvi is expected to continue with no disruption.

Artume officials said, "This recasting as an LLC better matches the Savvi business model with the activities of its principles. The Savvi name and its business process improvement solutions will continue under the Artume umbrella."

About Savvi International

Savvi International, an Artume, LLC company, is a business performance improvement solutions company. Savvi provides affordable state-of-the-art learning, tools, and reference materials for use by anyone to improve personal and professional performance. Savvi brings together the best materials, tools, and techniques from across the business landscape and makes them available for your use or resale. We complement our products with expert service and support, to ensure you receive the best value at the lowest prices in the industry. Savvi and its combined companies have been providing consulting, training and software tools to companies ranging from small businesses to Fortune 500 corporations for more than six years.
